## Song Lyrics

### *Agua del Cielo - Anon Medicine Song*

En tus ojos de agua infinita  
Se bañan las estrellitas mamá (x2)  
Agua de luz, agua de estrellas  
Pachamama vienes del cielo (x2)  
Limpia, limpia  
Limpia corazón, agua brillante  
Sana, sana  
Sana corazón, agua bendita  
Calma, calma  
Calma corazón, agua del cielo mamá

### *All I Have to Do - Helen Knight*

All I have to do is open my heart  
Wider than ever before  
Into the horizon  
Across these lands  
Deep into the earth  
In which I stand

### *All I Need is Here - Susie Ro*

All I need is here

In this moment I am free  
I am gliding allowing all to be

Cos this is all, all, this moment is all that we have  
And this is all, all, this moment is all, that we have

## *Break to Flow - Izzy Hardy*

Oh I may be breaking but I'll grow  
I have to break to flow

X2

Here we are we will not rest  
Until we're sure we've done our best  
To say what's in our hearts  
And yes I'd never thought I'd be  
Able to see that I am me  
And that I'm also you

## *Constellation of Stars - Susie Ro*

I can feel you all from afar  
We are together where ever we are  
And we are singing out from our hearts  
Connected and free, a constellation of stars

## Creatures of the Deep - Susie Ro

Painting visions on the horizon  
Waves keep coming, we keep on dreaming  
Painting visions for our children  
Tides keep turning, we keep on singing

*Repeat*

*Chorus:*

I'm going under, to sing with the whales  
Beneath the crashing waves  
Oh the beauty of your grace  
I'm going under, where freedom can be found  
Singing in the deep blue  
Swimming in your sound

*Repeat*

Creatures of the deep ayeye aye x 4

The water goes deep  
and the winds grow strong  
To carry this love, to guide us home

Oh the waters go deep  
and the winds grow strong  
To carry this love, to guide us home

*Repeat x 2*

Oh the waters go deep  
and the winds grow strong  
To carry this love

*Chorus x 2*

Creatures of the deep ayeye aye x 4

I offer flowers to your waters  
With petals of the heart  
May you always be protected  
I offer flowers on your ocean alter  
With petals of forgiveness  
May we all remember  
I offer flowers to your waters  
With petals of the heart  
May you be protected  
I offer flowers on your ocean alter  
With petals of forgiveness  
May we all remember

These creatures of the deep ayeye aye x 4

## *I Just Close my Eyes - Madhuro*

I just close my eyes and the earth is carried away by the river  
What is left behind I cannot say  
Just the sound of the water

## I Thank You - Susie Ro

The morning rises through the trees  
And the first thing that passes my lips is the words 'I thank you'  
Another miracle is beginning  
And the only thing that makes sense to sing is 'I thank you'

Thank you to the Earth for holding this body  
And thank you to the Fire burning in the sun  
And I thank you Wind for blowing my peace of mind  
Thank you to the Water for keeping me flowing  
And thank you to these teachings for keeping me growing  
And I thank you for simply being alive

I am remembering to remember to give thanks  
I am remembering to notice all these miracles  
I am remembering the power that we have  
I am remembering to give thanks  
I am remembering to give thanks

Chorus:

We are one, we are one, we are o-n-e

We are one, we are o-n-e

We are one, we are one, we are o-n-e

We are one, we are o-n-e

Long before, it had began, we were one

All the stars, and the sun, It's one

From afar, it may come, but it's one

Down to earth, and beyond, all is one

Chorus

See the light, feel the breeze, we are one

From the peaks, to the seas, we are one

All the birds, and the bees, we are one

Flowering plants, towering trees, we are one

Chorus

Two make love, Love makes three, we are one

I love you, you love me, we are one

Love is all, you can be, we are one

I am you, you are me, we are one

## We are Together - Helen Knight
